News Release  
**September 6, 2016**

**New Kino Flo Battery Mount – Dynacore 26V**

**Burbank, CA** – Kino Flo Lighting Systems introduces the Battery Mount DynaCore 26V, **BAT-MD26V**. The Battery Mount Dynacore 26V will be available October 2016. The Battery Mount is specifically designed for our LED products with DC capability:

- Diva-Lite LED 20 & 30 DMX
- Select LED 20 & 30 DMX
- Celeb LED 201, 401 & 401Q DMX

The Battery Mount includes a 5/8" Baby Receiver and Baby Pin (16mm), 3-pin xlr and a V-Lock interface. (Batteries sold separately.)

As of September 1, 2016, the V-Lock mounting system will accept the following Dynacore or LITH batteries:

- Dynacore – Model #DHB-200 (26V 200Wh)
- LITH – Model #LH-230 (26V 230Wh)
