

Image 20

The Image line of soft lights is a very popular Kino Flo studio option for film, TV broadcast, video and photo set lighting. The Image 20 Dmx fixtures produce a soft, shadowless display of daylight or tungsten quality light (CRI 95) that can be controlled without dramatic shifts in color.

The Image 20 Dmx uses 2 Dmx addresses (one address controls 2 lamps)

For more details, consult operation manual.
