Lighting Systems

True Match® 26W CFL

26S-K32-120	26W Kino KF32, E26 Screw Base, 120VAC, 60Hz
26S-K55-120	26W Kino KF55, E26 Screw Base, 120VAC, 60Hz
26S-K32-230	26W Kino KF32, E27 Screw Base, 230VAC, 50Hz
26S-K55-230	26W Kino KF55, E27 Screw Base, 230VAC, 50Hz

Designed for the professional film, photography and video industry.

As with all Kino Flo's True Match® lamps, they are specially formulated (CRI 95) to match the spectral sensitivity curves of HD and digital film imaging equipment.

Note: Lamps are not "Flicker-Free" for filming motion pictures. Shoot within standard flicker-free safe window frame rate speeds and shutter angles.

CAUTION: Risk of electric shock. Use in dry location only. Not for use where directly exposed to water. Not for use in luminaires/fixtures controlled by a dimmer or in totally enclosed recessed fixtures.

ATTENTION: Risqué de choc électrique. Ne pas exposer à l'eau. Ne pas utiliser avec un gradateur dans les luminaires encastrés complètement fermés.

CORRECT WAY
(GRASP BASE PLASTIC PART)

WRONG WAY
(DO NOT GRASP GLASS PART)

Attention

- Not for use where exposed to the weather.
- This device is not intended for use with emergency exit fixtures or emergency exit lights.
- Not for use in totally enclosed recessed luminaires.
- Always turn off power before re-lamping.
- Avoid installing lamp by gripping the glass tube.
- Not suitable for damp surroundings or sealed fixtures.
- Risk of electric shock. Use in dry locations.
- Operating temperature: -15°F – 122°F / -18°C – 50°C

Warning:

- Do not open base. No user-serviceable parts inside.
- Do not use with electronic dimmer. Variac dimmer will allow lamp to be dimmed about 1 f-stop.
- To install or remove, handle bulb by grasping base. Do not grasp glass portion.
- This bulb complies with Part 18 of FCC Rules (ICES-005 CLASS B), but may cause interference to radios, TV, Wireless phones and Remote controls. If interference occurs, move bulb away from affected device, or plug device into another outlet.
- Do not install this product near maritime safety equipment or other critical navigation or communication equipment operating between 0.45-30 MHz.

Warranty

One year limited warranty from manufacturing defects.

For latest Warranty information and Certifications, see Kino Flo website at www.kinoflo.com.

Environmental: Disposal of Old Electrical & Electronic Equipment.
