Kino Flo Brings Back FLO for LED Trade-In

BURBANK, CA –Kino Flo has re-launched its popular FLO for LED [Trade-In](#) promotion. Kino Flo Lighting Systems is offering the Trade-In special when customers exchange legacy FLO fixtures for FreeStyle, Celeb, Diva-Lite or Image LED fixtures. Customers earn a deep discount on each LED lighting product when they return a qualifying Kino Flo legacy product of similar design.

For example, customers can trade in a complete Kino Flo 4Bank fluorescent system and purchase a new [FreeStyle T44 LED Tube System](#) for a flat price of \$2,195.00—That's a savings of \$1,265.00 off the FreeStyle T44 \$3,460.00 U.S. list price.

Promotional pricing of \$2,195.00 is after trade-in of 4Bank FLO System in the U.S.A. Trade-in pricing will vary by country. For promotional prices on all qualifying lighting products, Kino Flo or its trade-in partners reserve the right to refuse or limit any transaction for any reason. Additional terms from Kino Flo or its trade-in partners may apply.
